ALL-INCLUSIVE FUN ACTIVITIES

Mulligans - 2-Mulligans max per person (do-over shot) can be used anywhere on the course.

Individual Move Up (to Next Tee Color) - One Time Use. Enables a player to move forward to the next closest set of t-markers (Blue to White, White to Gold, Gold to Red, Red to Green.) Player's Choice on which hole to move forward. FYI - Green Tees only located on Holes 1, 4, 6, 7, 9, 11, 18.

String it Out -6 feet of string per team. **String to be used AFTER the ball has been hit.** *Example:* Player "A" hits the ball from the fairway and lands the ball on the green. Team has string remaining. Team can then use their string to get closer to the hole, even into the cup. The string can also be used to improve your lie (out of a bunker or out of the ruff.) Once portion used, cannot be used again. Tie a knot!

Individual Putting Contest – Each player makes 1 putt on practice putting green, at the turn after Hole #9. Distance recorded to hole. 1 winner!

Team Putting Contest - The four player's individual putts are added together for a team total. Shortest Team distance wins prize!

Longest Drive Hole #1 – for both Men and Women. Beat the longest drive before you and place the flag where your ball landed. Add your name to the clipboard. Ball must have ended up in Fairway to count!

Closest to the Flag – Hole #3 Women, Hole #10 for Men. Hit toward flag, measure distance to flag, if you beat the best shot before you, add your name to the clipboard along with distance (Drive must land on green).

Use One Club Only – Hole #15 - 7 iron only – Mandatory for all players!

Team Picture Time – Hole #16 - Smile for your Team Picture!

Team Roll the Die - Take a chance on hole #5, a par 5 –roll one die, use that roll as your team score for the hole **OR** play and use your earned score, whichever is lower.
