

2026 Annual Golf Tournament

Tournament Date: April 18, 2026

We are thrilled to begin our planning for our 2026 Golf Tournament! Thanks to sponsors like you, our last four Annual Golf Tournaments exceeded our expectations and completely sold out well before the registration deadline. We hope for similar success this coming year and would love your help!

Our vision for a world where every person has a decent place to live is put into action through our two programs: *building affordable homes* in Fluvanna County as well as our *Home Repair program* that assists County residents who struggle with accessing their home safely and do not have the financial and/or physical ability to make repairs themselves.

Our GOLF TOURNAMENT proceeds (after course rental and food/beverage fees) will be used directly for affordable home building and materials for needed repairs.

Please consider becoming involved with our **GOLF TOURNAMENT** by choosing to be a **SPONSOR**. We are a **non-profit 501(c)(3) organization** currently seeking sponsors to fund the following:

Platinum Sponsor(s)	\$2,500 each (Goal of \$10,000) – 1 SPONSOR

When you support Fluvanna County Habitat for Humanity, **100%** of your contributions are put to work in Fluvanna. We are currently building a 26-home community of mixed-income affordable homes called Houchens Place. In 2026, two more homes will be completed! We don't give away homes, we sell them *at cost* to qualifying families who partner with us for financial and homeownership education. Our volunteer program along with proceeds from this annual tournament saves each homeowner more than \$40,000 at closing.

Thank you for considering supporting Fluvanna Habitat by becoming a **SPONSOR** for our Golf Tournament. **We are grateful!**
