**Fluvanna County Habitat for Humanity
Golf Tournament
Saturday April 22, 2023
Definitions & Game Explanations**

**Requirement:
HAVE
FUN!**

Mulligans - \$10, 2-Mulligans max per person (2 do-over shots.) Can be used anywhere on the course.

Move Up to Next Tee Color - \$5, **One Time Use**. Enables a player to move forward to the next closest set of t-markers (Blue to White, White to Gold, Gold to Red, Red to Green.) Player's Choice on which hole to move forward. Individual purchase only. Honor system for use.

String it Out - \$5 for 10 feet of string. **Individual players** may buy a 10-ft length of string. **String to be used AFTER the ball has been hit, provided the player who hit the ball, purchased string.** *Example:* Player hits the ball from tee, on a par 3 hole. Player bought string and hasn't used any portion of it. Depending where ball landed, player may use string to improve the lie of the ball, even into the cup (if ball landed within 10 feet of cup, thus a hole in one, and the use of player's string is now finished if all 10 feet was needed) OR may use string to improve lie (out of bunker/high ruff to get ball onto the green.) **String can only be used AFTER a player has hit the ball and that same player can only use THEIR OWN String!** **Honor System for use of string and it's portions!** Once portion used, cannot be used again. Tie a knot!

Team Orange Ball - \$10 per Team - Each team that plays receives an orange golf ball that must be used by a different golfer in the group on every hole. That golfer uses the orange ball for **ALL** strokes taken on that hole. The ball must rotate consecutively amongst all golfers in the group (same order of players used for all 18 holes) per hole, NOT per stroke. **The object is to not lose the ball for the entire 18 holes!** All teams that complete the 18 holes with the ball still in their possession are to return their ball to tournament coordinators and provide a name of a player in their team. 1 team to win!

Team Power Package - \$25 for Team, **2 PERKS!**

- Entire team drives from the Green Tees on **Hole #11** Green Tees are the closest to the hole!
- Magic Ball - Pick up a ball that lands fully on the green at **ANY hole except Hole #3** for a 1-putt. **1 time use per team!** This 1-putt will be added all other strokes acquired on the hole.

FREE - Individual Putting Contest - Decide if entering the Team Putting Contest before putting. Each player makes 1 putt on practice putting green, at the turn after Hole #9. Distance recorded to hole. 1 winner!

Team Putting Contest - \$5 per Team Entry. **Pay Cash BEFORE Putting** at Practice Putting Green! The four player's individual putts are added together for a team total. Shortest Team distance wins prize!

Team Roll the Die - \$10 per Team, Hole #18, **Pay cash at Hole**- Take a chance on a par 5 hole. Roll one die, use that roll as your team score for the hole. You may continue to the play the hole, but your team score is what you rolled!

FREE - Longest Drive Hole #1 - for both Men and Women. Beat the longest drive before you and place the flag where your ball landed. Add your name to the clipboard. Ball must have ended up in Fairway to count!

FREE - Closest to the Flag Hole #3 - for both Men and Women. Hit toward flag, measure distance to flag, if you beat the best shot before you, add your name to the clipboard along with distance.

FREE - Get it on the Green Hole #10 - Everyone who drives from the tee box and lands their ball on the green adds their name to the list. One person drawn for winner!

FUN Activities!

- Use One Club Only - **Hole #15 (8 iron only - Mandatory for all players!)**
- Team Picture Time - **Hole #16 (smile for your Team Picture!)**
- Prizes - Purchase your tickets!
- 50/50 Raffle - Purchase your tickets!

HAVE FUN!
